You're going to sign the letter electronically and send it as a PDF, right?

Yep, see attached of the finalized letter. My email to PPG will be very simple, something like:

"Hi Scott, Please see attached regarding your FS submittal. Let me know if you have any questions. Thanks"

Let me know so I can sign and get this in the admin record.

Josh

Ok, so can disregard my subsequent email, think this initial language I sent over may work better. So Josh if you want put together a draft and circulate maybe we can all review? Thanks

Agreed. It works great. The only language for consideration to add for me would just be:

Ex. 5 AC/AWP/DP

But it looks good to me with or without this language.
